EDUCATION

Godavari College of Engineering

B.Tech in Computer Science

- GPA:

Jalgaon

Aug 2025

D.S.High School

12th H.S.C

- Percentage: 83.83

Bhusawal

June 2021

Godavari Foundation's DUPEMS

10th S.S.C

- Percentage: 60.62

Bhusawal

May 2019

PROJECTS

3D Player Controller System (Unity)

- Created a 3D environment in Unity with player movement mechanics.
- Implemented keyboard-based movement using C# scripting.
- Used Rigidbody and colliders for physics-based interactions.
- Practiced core gameplay mechanics and scene setup.

Object Interaction Prototype

- Implemented trigger-based collision detection using Unity colliders.
- Created simple interaction mechanics between player and objects.
- Explored Unity physics system and gameplay scripting.

SKILLS

- Unity Engine
- C# Scripting
- GameObjects & Prefabs
- Rigidbody & Colliders
- Basic Game Physics
- Unity UI Basics
- Scene Management

TOOLS

- Unity Editor
- Visual Studio / VS Code
- Git (Basic)
- Sketchfab
- Unity Asset Store
- Blender 3D

STRENGTHS

- Strong passion for game development
- Quick learner and adaptable
- Problem-solving mindset
- Interest in gameplay mechanics and interactive systems

LANGUAGES

- English
- Marathi
- Hindi
